Rutgers Staff Bios
Jeff Dallesander

Staff Member since 2010

Education: University of Massachusetts/School of Stockbridge Major:
Ornamental Horticulture

Experience: I have acquired extensive knowledge in the nursery industry through my positions with Imperial Nurseries, a major wholesale grower and a distributor of landscape products. My positions included Customer Service, routing and coordinating deliveries of plant material for East Coast Brokerage and the seven Imperial Nurseries Distribution Centers, Sales Supervisor and Nursery Manager of a fifteen acre Distribution Center.
I was appointed by Imperial Nurseries to renovate a 60 acre nursery/growing operation in conjunction with a retail satellite location. I spent the last nine years with The Home Depot as a Garden Sales Associate in West Springfield, MA.

Favorite thing about working at Rutgers Landscape & Nursery: To be a part of a organization which focuses on educating their employees as well as their customers.

Hobbies: Running, hiking/camping, trail riding, swimming and any type of outdoor activity. I value the time I spend with family, friends and my son Josh.

Goal: To gain more knowledge of plants from the staff and customers and to be part of the continued success of Rutgers Nursery and Landscape.
