

Joanne Goodman

Staff Member since 1992

Experience: I have volunteered /worked in the Green Industry for over 20 years. I started with Rutgers while attending College for Environmental Science. I have held multiple positions at Rutgers, including Nursery Sales Associate, Nursery Sales Manager, and currently Landscape Sales. My role now involves generating new business and promoting our landscape and nursery services. I am NJNLA-Certified Nursery and Landscape Professional(CNLP). I am also certified in Versa Lok Block Retaining Wall Systems.

Education: Mercer College-Landscape I ,and Landscape II. I also volunteered and was employed as an Intergrated Pest Management Student thru Internship/USDA& Rutgers University. Successfully completed Rutgers "In-House" 160 plant and gardening course to help improve employee knowledge.

Favorite thing about working at Rutgers: I enjoy working with plants and people. I like having the opportunity to introduce people to Rutgers and the world of plants and gardening.

My hobbies are: I enjoy entertaining and cooking for friends and family. I love spending time exploring our woods with my two children. Taking long drives along the Delaware and enjoying all the area has to offer.

Goal: To be a good example for my children and to teach them respect for their peers and environment.
