Staff member since spring of 2015

**Experience:** I discovered my love for outdoors when I was young and I took up photography beginning in high school which opened up a new appreciation and perspective of nature..

**Favorite thing about working at Rutgers:** The people I work with are dedicated to making the nursery a great place to be for our customers as well as staff, team unity. It is always a beautiful work in progress and creativity. For me – a photographers dream!

**My hobbies are:** Photography, hiking, biking – anything outdoors that I get to share with my kids.

**Goals:** To learn more about Horticulture & Landscaping, not only for their beauty, but for health and environmental benefits as well.
